About Mottolino Fun Mountain:

Mottolino Fun Mountain is a skiing area of Livigno located in the Italian Alps. It is well known for its prime Snowpark, which has won several awards in Italy in recent years and is rated among the best ones in Europe: covering 120.000 m² (more than 30 soccer fields) constructed from more than 170.000 m³ of snow, it has been chosen by GoPro as a partner of excellence. Fun is at the bottom of almost any activity, which has led to a great variety over time. Not only has Mottolino hosted the highest music concert in the Italian mountains, the Ice Party, it has also been the home of three editions of the Burton European Open, seven editions of Burn River Jump and many times of the World Rookie Fest. In 2015 Mottolino will host the legendary NINE KNIGHTS freeski event, which will take place already for the fourth time in Italy. The resort will provide enough snow for the shapers to build the massive, enchanted Nine Knights castle, which will remain in the beautiful mountains of the Mottolino skiing resort for a week
